

Tuesday, May 18, 2010

	Congress Center West					Congress Center Süd	
	Europa	Berlin	Brüssel	New York	Mailand	Deutschland	Rheinland
08:00							
08:30				Registration			
09:00	<b>HP.1b</b> Fermentative Hydrogen Production	<b>HP.2</b> Thermochemical Cycles	<b>SA.4</b> Education and Public Awareness	<b>SM.3</b> APUs for Road Vehicles, Ships and Airplanes	<b>HP.6</b> Hydrogen Systems Assessment	<b>SI.1</b> Vehicle and Infrastructural Safety	<b>FC.1</b> Electro-chemistry of PEM Fuel Cells
09:30				Coffee Break			
10:00							
10:30							
11:00							
11:30							
12:00							
12:30							
13:00							
13:30				Lunch Break			
14:00							
14:30			<b>HP.4b</b> Reforming and	<b>HS.3</b> Adsorption Technologies	<b>HP.3d</b> PEM Electrolysis		
15:00				Coffee Break			
15:30							
16:00			Gasification-Biomass				
16:30							
17:00							
17:30							
18:00							
18:30							
19:00	Conference Dinner at Philharmonie						

	Congress Center Süd			Hall 3	Outdoor	All Areas
	L	M + N	S + T			
08:00						
08:30						
09:00		Registration				
09:30	<b>TA.4</b> Systems Analysis and Well-to-Wheel Studies	<b>ST.2</b> Fuel Cells for Buildings	<b>SA.8</b> The Zero Regio Project	<b>Poster Session</b>	<b>Trade Fair</b>	
10:00						<b>Ride &amp; Drive</b>
10:30						<b>Students' Day</b>
11:00		Coffee Break				
11:30						
12:00						
12:30						
13:00						
13:30		Lunch Break		with authors*		
14:00						
14:30	<b>SM.1</b> Off-Grid Power Supply and	<b>IP.1b</b> IEA Hydrogen Implementing	<b>SA.3</b> Socio-Economic Studies			
15:00		Coffee Break				
15:30						
16:00	Premium Power Generation	Agreement				
16:30						
17:00						
17:30						
18:00				with authors*		
18:30						
19:00	Conference Dinner at Philharmonie					

\*The daily Poster Sessions with authors will focus on the session topics of the following conference day

Wednesday, May 19, 2010

	Congress Center West					Congress Center Süd	
	Europa	Berlin	Brüssel	New York	Mailand	Deutschland	Rheinland
08:00							
08:30				Registration			
09:00	<b>HP.4a</b> Reforming and Gasification -	<b>HS.2a</b> Metal Hydrides	<b>HP.5</b> Hydrogen-Separation Membranes	<b>IP.2</b> Renewable Primary Energy Potential for Hydrogen Production	<b>HP.1a</b> Photobiological Hydrogen Production	<b>TA.5</b> Demonstration Projects, Costs and	<b>FC.2</b> PEM/HT-PEM Fuel Cells: Electrolytes,
09:30							
10:00				Coffee Break			
10:30							
11:00	Fossil Energy Carriers		<b>HI.3</b> Fuel Provision for Early Market Applications	<b>IP.3</b> Environmental Impact of Hydrogen Technologies	<b>HP.3a</b> Hydrogen from Renewable Electricity	Market Introduction	Stack Components
11:30							
12:00							
12:30							
13:00							
13:30				Lunch Break			
14:00							
14:30		<b>HI.2</b> Hydrogen Deployment		<b>SM.4</b> Portable Applications	<b>HP.7</b> Photocatalysis		<b>TA.6</b> Electrification in Transportation
15:00							
15:30				Coffee Break			
16:00							
16:30							
17:00							Systems
17:30							
18:00							
18:30							
19:00							

	Congress Center Süd			Hall 3	Outdoor	All Areas
	L	M + N	S + T			
08:00						
08:30						
09:00						
09:30	<b>SA.7</b> Regional Activities	<b>FC.4</b> High-Temperature Fuel Cells	<b>TA.3</b> Hydrogen Internal Combustion Engines	<b>Poster Session</b>	<b>Trade Fair</b>	
10:00						<b>Ride &amp; Drive</b>
10:30						
11:00						
11:30						
12:00						
12:30						
13:00						
13:30				with authors*		
14:00						
14:30	<b>FC.5</b> Advanced Modelling	<b>ST.1</b> High-Temperature Fuel Cells	<b>SA.1</b> Research & Development			
15:00		Coffee Break				
15:30						
16:00						
16:30						
17:00						
17:30						
18:00						
18:30						
19:00						

\*The daily Poster Sessions with authors will focus on the session topics of the following conference day

Thursday, May 20, 2010

	Congress Center West					Congress Center Süd	
	Europa	Berlin	Brüssel	New York	Mailand	Deutschland	Rheinland
07:30				Registration			
08:00							
08:30	<b>HS.1</b> Physical Hydrogen Storage	<b>HI.1</b> Hydrogen Distribution Technologies	<b>HS.2b</b> Complex Hydrides	<b>HP.1c</b> The HYVOLUTION Project	<b>HP.3b</b> High-Temperature Electrolysis	<b>TA.1</b> Fuel Cell Power Trains	<b>IP.1a</b> National Strategies and Programmes
09:00							
09:30							
10:00				Coffee Break			
10:30							
11:00					<b>HP.3c</b> Alcaline Electrolysis		
11:30							
12:00							
12:30				Lunch Break			
13:00							
13:30							
14:00	Closing Plenum						
14:30							
15:00							
15:30							

Closing Plenum

13:00	Prof. Dr. <b>Detlef Stolten</b> Juelich Research Center, Conference Chair, Germany	Opening address
13:10	Dr. <b>Antonio Garcia-Conde</b> Chairman of IEA HIA, USA	Award: IEA HIA Project Prize
13:30	<b>Guido Gummert</b> Baxi Innotech GmbH, Germany	CALLUX – Gaining wide experience: Field test of fuel cell heating appliances in single family homes
13:50	Dr. <b>Johannes Töpler</b> Co-author: <b>Reiner Wurster</b> German Hydrogen and Fuel Cell Association, Germany	Implementation of hydrogen into the German energy system
14:10	<b>Jack Fletcher</b> University of Cape Town, South Africa	WHEC2010 – Progress and Propects
14:30	Minister <b>Lutz Lienenkämper</b> Ministry for Construction and Transport of NRW, Germany	Hydrogen fuels mobility
14:50	<b>Terry Kimmel</b> Canadian Hydrogen and Fuel Cells Association, Canada	Invitation to WHEC2012
14:55	Prof. Dr. <b>Detlef Stolten</b> Juelich Research Center, Conference Chair, Germany Prof. Dr. <b>T. Nejat Veziroglu</b> President IAHE, USA	Closing remarks

	Congress Center Süd			Outdoor
	L	M + N	S + T	
07:30				
08:00		Registration		
08:30	<b>FC.3</b> Direct Fuel Cells	<b>SI.2</b> Regulations, Codes, Standards and Test Methods	<b>SM.2</b> Space and Aeronautic Applications	
09:00				
09:30				
10:00		Coffee Break		<b>Ride &amp; Drive</b>
10:30				
11:00		<b>SA.5</b> Market Introduction	<b>SA.2</b> Life-Cycle Assessment and Economic Impact	
11:30				
12:00				
12:30		Lunch Break		
13:00				
13:30				
14:00				
14:30				
15:00				
15:30				

EnergieAgentur.NRW

**EnergieAgentur.NRW**  
All-round service provider to the energy industry:

- Cluster management
- Energy consulting
- Training and continuing education
- Nationwide campaigns and joint activities

[www.energieagentur.nrw.de](http://www.energieagentur.nrw.de)

Visit us at our trade fair stand GP200!
